What Our Customers Say!

We help individuals and businesses with high quality construction services every single day.

A Seamless Bathroom Remodel Experience

"We recently had our master bathroom remodeled by Monarca Construction & Remodeling, and the experience was nothing short of fantastic. From the initial consultation to the final walkthrough, every detail was handled with care and precision. The project manager was always available to answer our questions and made sure we were updated every step of the way. The crew was professional, tidy, and incredibly efficient. We are thrilled with the quality of the workmanship and the beautiful design. Highly recommend Monarca if you're looking for a reliable and skilled contractor in Bellingham!"

Mark W.
Real Estate Agent

Exceptional Kitchen Upgrade

"Monarca Construction transformed our outdated kitchen into a stunning and functional space that we absolutely love. The team guided us through the entire process, from design to material selection, and provided great suggestions that enhanced our initial ideas. Their attention to detail and commitment to quality were evident in every aspect of the project.

The best part was how they managed to complete the remodel on schedule and within budget, despite some unexpected challenges. Thanks to Monarca, we now have the kitchen of our dreams!"

Jess K.

Outstanding Service for Rental Turnouts

"I own several rental properties in Bellingham and have been using Monarca Construction for all our turnover services. Their team is phenomenal! They are quick to respond, thorough in their work, and always leave the properties in excellent condition. Their one-stop-shop capability has made it so much easier for me to manage renovations and repairs without having to coordinate multiple contractors. Every project has been completed on time, which is critical for minimizing downtime between tenants. Monarca's reliability and high-quality service have made them an invaluable partner in my business."

EXPERT RENTAL TURNOUTS FOR BELLINGHAM PROPERTIES

Monarca Construction & Remodeling understands the unique demands of Bellingham's rental market. Whether you own a downtown apartment close to Western Washington University or a family home near Whatcom Falls Park, our rental turnout services are designed to quickly refresh and repair your property, ensuring it's ready for new tenants with minimal downtime.

Our team in Bellingham specializes in handling all aspects of rental turnouts, from basic repairs and cleaning to more extensive renovations. Given the frequent cloud cover and moisture in our area, we also focus on mold prevention and moisture control, crucial for maintaining the longevity and comfort of rental properties in the region.

Services provided include:

- **Drywall Repair and Painting:** Fixing holes, cracks, and scuffs on walls and applying fresh coats of paint that brighten spaces and withstand the test of time.
- **Flooring Solutions:** Whether replacing carpets or repairing hardwood floors, we ensure your flooring is attractive and durable.
- **Deep Cleaning and Odor Removal:** Our deep cleaning services eliminate all traces of previous tenants, including stubborn odors like tobacco, ensuring a pristine environment for new renters.

- **Fixture and Appliance Updates:** We update lighting fixtures and repair or replace appliances to boost the functionality and appeal of your rental.
- **Landscaping and Exterior Improvements:** First impressions matter, so we offer landscaping services to enhance curb appeal, from lawn care to decorative plantings.

Each project is completed with a detailed inspection to ensure everything meets our high standards and your expectations. This attention to detail not only makes your property more appealing to potential tenants but also helps maintain its value over time.

EXPERT DRYWALL SERVICES FOR BELLINGHAM HOMES AND BUSINESSES

In Bellingham, WA, where the natural beauty of the Pacific Northwest meets a vibrant, growing community, maintaining and updating your property with high-quality drywall is essential for both aesthetics and functionality. Monarca Construction & Remodeling offers specialized drywall installation and repair services tailored to meet the needs of both residential and commercial properties in the area.

Our team brings precision and expertise to every project, whether it's a new installation in a modern condo near Western Washington University or repair work in a historic Bellingham neighborhood. We understand that proper drywall work not only contributes to the beauty of your space but also enhances its insulation and soundproofing qualities, which are crucial in our varied climate.

Services We Provide Include:

- **Drywall Installation:** We handle new drywall installations with meticulous attention to detail, ensuring seamless integration with your existing structures.
- **Drywall Repair:** From small patches to major repairs, our team addresses damage caused by moisture, wear and tear, or accidents, restoring the integrity and appearance of your walls.
- **Finishing and Texturing:** To match your existing wall texture or create a new look, our finishing services include texturing techniques that range from smooth to stucco-like appearances.
- **Painting:** Once drywall installation or repairs are complete, we can finish the project with professional painting, choosing the right products to withstand the humidity and temperature changes typical in Bellingham.

Our process starts with a thorough assessment of your needs. We discuss your project

in detail, considering factors like your property's age, the local environment, and your personal preferences. This ensures that the solutions we provide not only meet but exceed your expectations.

Monarca Construction & Remodeling is committed to using materials that are durable and suitable for our local climate. We ensure that all installations and repairs are done with precision, leaving you with smooth, durable walls that enhance your space.
